From the Chair

When the Government published its roadmap to easing restrictions, it was a fait accompli that our May concert wouldn't go ahead. However, if the easing continues the orchestra will meet on 11th July for a rehearsal (more details below). The committee met on 22nd March and a proposed programme for future concerts was discussed starting (all being well) with Saturday 2nd October.

I hope that you have managed to stay safe during this prolonged period of absence from our usual activities and I look forward to the opportunity of welcoming you back as a player or audience member at the earliest opportunity in 2021/22.

Michael Taylor, Chairman

'Thank you' to our Patrons/Friends

We wish to thank our Corporate Patrons, Norton Peskett solicitors, for their generous donation and all our other Patrons and Friends for their continued support through donations during 2020/2021

Making Music Day – Monday 21st June 2021

If there are any ensembles out there who have been meeting regularly, or even need an excuse to rehearse together again, Making Music (MM) is encouraging groups to record their pieces and submit to MM before 21st June so a compilation can be produced and broadcast on 21st June. Please message for further details.

Waveney Players – “Save the date” - Sunday 11th July 2021

In preparation for our return to performing in October, we are holding a playing/rehearsal day on 11th July, hopefully at Sir John Leman High School, Beccles. There will be two sessions 11am-1pm & 2pm-4pm. Ideally, those attending (and in particular wind and brass players) should also be available for the October concert and rehearsal weekend because we shall be playing through Mendelssohn's Italian Symphony! This will be a great opportunity for us to play together again and make a welcome change from practising alone in the back bedroom!
